Coverage confirmed by postcode

Why Mainstream Cleaning

Mainstream Cleaning is a family-run commercial cleaning company based in Camberley, Surrey. The company has been incorporated since 16 February 2011 and provides flexible cleaning shaped around each workplace, budget and working hours.

Good office cleaning should be straightforward. We agree what needs cleaning, how often it should be done, when our team can get in and who you can speak to if something needs attention.

Cleaning services built into one manageable plan

Office cleaning

Scheduled cleaning for workstations, meeting rooms, reception areas, kitchens, washrooms, floors, bins and agreed high-touch points.

Washrooms and consumables

Cleaning plus agreed paper, soap and sanitary supplies, with stock levels planned around the people using the building.

Window cleaning

Internal, external and suitable high-level window cleaning, planned around safe access and working hours.

Carpet and floor care

Regular and one-off care shaped around the floor type, condition and amount of use.

Deep and specialist cleaning

One-off, sparkle, project and deep cleaning agreed individually before work starts.

Temporary and emergency cover

Holiday, sickness, incident and supplier-gap requirements discussed with availability, notice and pricing confirmed.

One helpful team

Services can be combined so you have fewer suppliers to manage. Your plan will still show what each service includes, how often it is done and what it costs. Specialist work is confirmed after a site visit.

Clear answers, friendly support and no surprises

WHAT WE AGREE	WHAT IT MEANS FOR YOU
Cleaning plan	A clear list of regular, less frequent and optional jobs, with agreed timings.
Changeover	A straightforward plan covering access, the cleaning team, products, equipment, stock, priorities and first checks.
Quality checks	An agreed checklist, supervisor visits and a clear way to put missed work right.
Service levels	Who to contact, how we respond and what happens if a clean or important job is missed.
Reporting	A short, useful update covering checks, open items and work planned for the next month.
Safety information	The health, safety, COSHH and supporting documents that apply to the agreed work.

Changing cleaning company

We visit your office, agree the cleaning plan, get the team and access ready, start the service and review the first few weeks. You decide how communication with your current cleaning company is handled. Where employment-transfer rules may apply, the right professional advice should be taken.

Useful details for your review

Documents you can ask for

Current insurance; relevant company policies; risk assessments and method statements where needed; product safety data; COSHH assessments; and training, vetting or specialist experience that applies to your workplace.

Clear and honest information

We only confirm accreditations, insurance limits, vetting, environmental certifications, response times or other specific claims when current supporting information is available. Ask us for the documents that matter to your organisation before you make a final decision.

Next step

Request a free site visit. Show us your office and tell us what you need, and we will put together a clear cleaning plan and price.
